

# LifeLine Specialty Pharmacy now supports **Gsymia prescriptions**

Download and make sure you bring this document to your

# next doctor's appointment. Share the following with your healthcare provider:

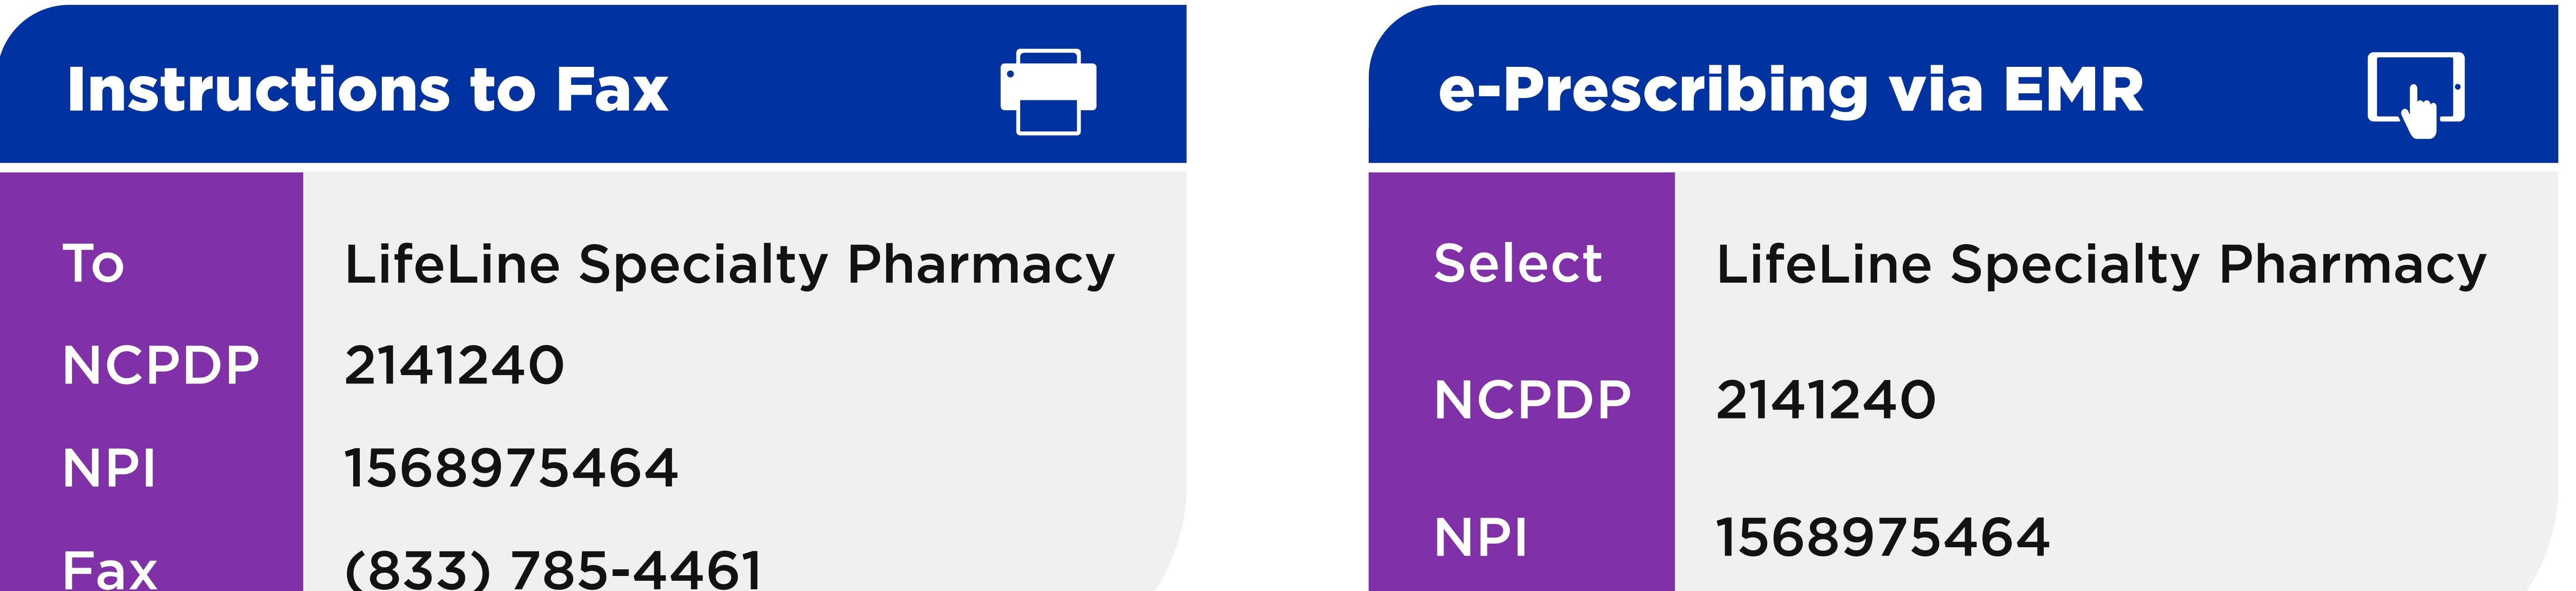

LifeLine Specialty Pharmacy now supports **Qsymia** patients with commercial coverage across the entire prescription fulfillment process. After submitting a **Qsymia** prescription to LifeLine Specialty Pharmacy, they will contact the patient directly and guide them step-by step through the process. This includes:

- Assisting them with **benefits investigation** and insurance verification.
- Shipping of your patient's medication. After benefits verification, if Qsymia is covered, shipping is free.
- Access to a smartphone app to place orders
- After benefits verification, if Qsymia is not covered, the cash price is \$98 across all doses and product packs. Note: \$98 pricing includes 6-week New Patient Packs, 6-week Titration Packs and all 30day prescriptions – additional

# and receive refill reminders as well as a patient support website.

shipping and handling costs will apply.

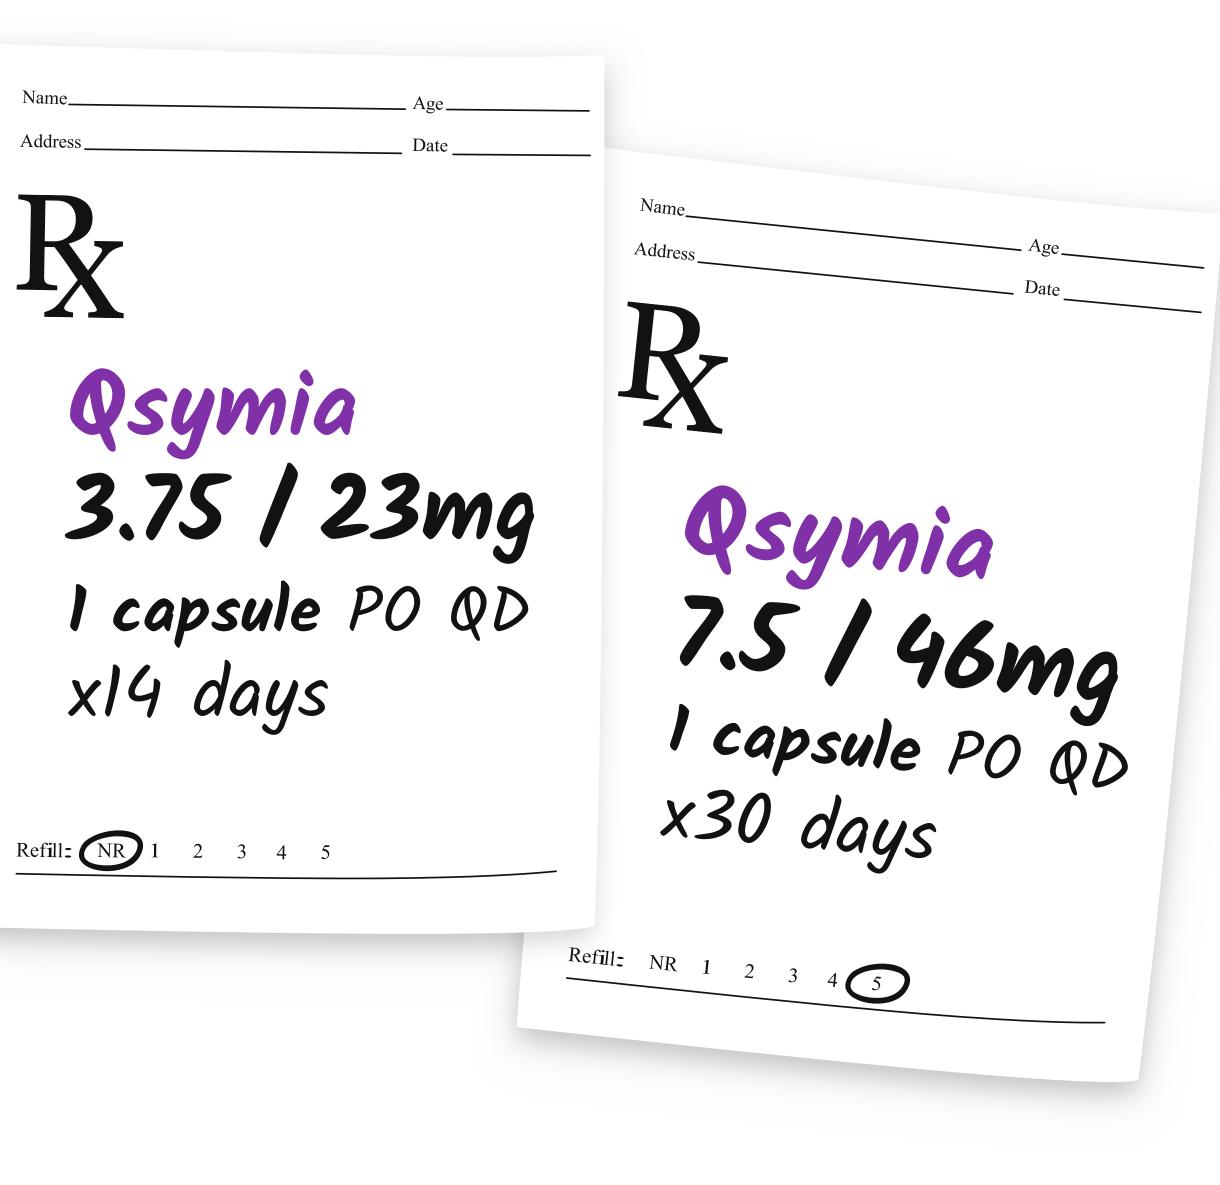

\*Please note that LifeLine Specialty Pharmacy is **NOT AVAILABLE** to patients in California, Puerto Rico, Guam or the U.S. Virgin Islands. Prescriptions can be sent to LifeLine Specialty Pharmacy using one of the following options:

### (833) 785 - 4461

## Please note:

Two prescriptions are required for New Patient and Titration Packs. One prescription is required for each dose within either pack.

More information and access to program materials can be found at the **Qsymia Healthcare Provider** website. Please visit: HCP.Qsymia.com/materials
